

Penn Yan Academy Graduates 1866 through 1949

Oftentimes a researcher is looking to see if and when a particular person has graduated from Penn Yan Academy or to see a list of graduates from a particular year. As an assist for researchers this listing has been put together from available resources at the Yates County History Center.

The listing of Penn Yan Academy graduates for years **1866 through 1906** is from the "1906 Index of the Public Schools", Penn Yan, N. Y., Peerless Printing and Papers Co, Penn Yan, N. Y., 1906. Additional information included in the listing is married name, additional education and 1906 address. An "♦" in front of the name indicates that the person was deceased at the time of publication, 1906.

The listings of names of Penn Yan Academy graduates for the years from **1907 through 1949** were obtained from commencement programs and yearbooks available at the Yates County History Center in addition to newspaper articles from the Yates County Chronicle, Chronicle-Express and Penn Yan Democrat. The lists for 1939, 1942, 1943 and 1949 include the graduate's home address. The 1941 list includes the graduate's major course of study. The 1931 list includes the graduate's nickname.

Caveat Emptor. This is a compilation of existing lists and no effort has been made to check or verify the information from other sources.
